Experience

Sure Shot Cafe Hawaii

Barista/Customer Interface

July 2018 - Present

During my time at Sure Shot, I gained experience in customer service and team leadership/building.

About

I grew up with a dream to work in the creative industry. I first became interested in graphic design upon entering KCC's New Media Arts program. While I may be inexperienced, I am motivated to work towards my new goal in becoming an independent graphic designer. I am a dedicated worker and eager to learn.
